4 August 2023

To all bidders

**RE: CLARIFICATION OF ZETDC/INTER/04/2023: SUPPLY AND DELIVERY OF AIR  
CIRCUIT BREAKERS**

**Query 1:** *In the Standard Bidding Document there is a contradiction on the price schedule and Technical Guarantee Schedule. The price schedule states they are ACB but the Technical Guarantee Schedule states that they are MCCB and MCB.*

**Response 1:** This Tender is for the supply and delivery of Moulded Case Circuit breakers, which uses air as the dielectric medium to break a circuit.

Yours faithfully,

**F. NYAMAKAMBO**  
**SUPPLY CHAIN MANAGER**
