To All Bidders

Dear Sir/Madam

CANCELLATION OF TENDER NO. ZETDC/INTER/04/2023 FOR THE SUPPLY AND DELIVERY OF AIR CIRCUIT BREAKERS (ACBs)

The above subject matter refers.

Please be advised that the above mentioned Tender No. ZETDC/INTER/04/2023 for the Supply and Delivery of Air Circuit Breakers (ACBs) has been **CANCELLED** in line with Section 42 (1) (c) of the Public Procurement and Disposal of Public Assets (PPDPA) Act [CAP. 22:23].

The Statement of Requirements – List of Goods and Price Schedule under Part 2 of the Standard Bidding Document (SBD) page 12 of 33 is for ACBs (Air Circuit Breakers) whilst the detailed technical specification starting from page 14 of 33 in the SBD calls for the Supply and Delivery of Moulded Case Circuit Breakers (MCCBs), to be used mainly for protecting low-voltage circuits and distribution transformers. Hence, in terms of Section 42 (1) (c) of the PPDPA Act, the tender has been cancelled due to the fact that correcting the tender description and Statement of Requirements – List of Goods and Price Schedule results in a significant change in the technical details of the procurement requirement, such that the procurement proceedings need to be recommenced.

Any inconvenience caused is sincerely regretted.

Yours faithfully

F. NYAMAKAMBO
SUPPLY CHAIN MANAGER
